Invitation to Sponsors:

40th Annual Band Spectacular – October 25, 2008 - Simi Valley High School

Dear Business and Community Leader:

It is a great pleasure to invite you to be a part of the **40th Annual Simi Valley High School Band Spectacular** fund drive. As a business leader, you have the unique opportunity to be an integral part of building a strong music program for our community's children and ensuring the success of their futures by investing in their education. Through the arts the youth of our community develop their music skills, deepen their abstract conceptual understanding, and broaden their creativity.

With budget cuts and the increasing costs of running our program, we turn to you for help. We need to raise money to continue our efforts to educate our children. We buy instruments, pay for sheet music, coaches, transportation, uniforms, festivals, and competitions, and sponsor financial need students.

We raise half of our operating funds at our annual Band Spectacular. The Band Spectacular is a regional event visited by the public and numerous high school bands from all over Southern California. This year we expect over 5,000 people to attend the day long event.

You can support this event in four ways:

1. Advertising opportunities for your business through our Band Spectacular program booklet.
2. Your business name on large banners, displayed at every home football game, field competitions, and parades.
3. You can sponsor a trophy given to an award-winning band.
4. Fourth, we gladly accept donated items for our raffle at Band Spectacular.

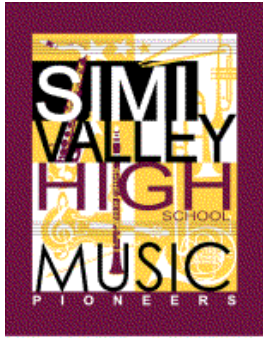

All four forms of support are tax deductible, as we are a tax exempt organization. We provide receipts for all transactions.

We are deeply grateful for your commitment to excellence, which has made the numerous Simi Valley High School music programs successful. Please join us this coming fall.

Becky Custer – 40th Band Spectacular Chairperson.

If you have any questions regarding ad format or placement, please send emails to **Kristen Castellano**: miss_kristen@earthlink.net.

Dedicated to excellence in music, deepening abstract conceptual understanding, and the spirit of teamwork
