PARENT VOLUNTEERS

Active parent participation is the only way to ensure a thriving and successful instrumental music program. There are many volunteer opportunities available to fit all types of volunteer schedules, abilities and interests. Optimally we hope you are able to help in several ways. Each time parents participate they are showing the students their support, encouraging students to do their best, and helping to validate the worth of their student's effort. You will meet other great parents, make new friends, and have fun along the way.

BAND AIDS NEEDED

For

Marching Band Field Shows

- The marching band performs field shows at various events ranging from Simi High Friday night home football games to Saturday marching band competitions against other schools. **BAND AIDS** are boosters who help at these field show events by assembling and moving props and equipment onto the field when and where needed. We have ATV's and trailers to help, but field shows require about a dozen boosters to "aid".
- **BAND AIDS** are also needed in the stands during home football games to distribute water and seat cushions to the students, and to handle various other supportive tasks during the game.

If you like getting an up-close view of the marching band field show and having direct interaction with the band, this job is for you! Contact Jeff Hayden, Transportation Co-coordinator at (805) 732-0177 to volunteer.

The Boosters and the Marching Band students thank you.
